3-Layer Construction: Steel + Insulation + Steel

2" Thick Insulated Steel Garage Doors

4400
4401

Model 4400 Short Elegant Panel Design

With a 24-gauge exterior steel skin, lifetime warranty on the door and hardware and three-layer construction, you won't find a more durable, reliable and secure garage door than the Premium Series 4400 and 4401. The 2" of expanded polystyrene insulation and thermal break make these doors heat and cold resistant while the tongue-and-groove joint helps seal out wind, rain and snow. Combine the beauty of the Clopay Elegant panel design on the Model 4400 or contemporary flush design on the Model 4401 and you have the best garage door to suit your home style and lifestyle.

Beautiful. Durable. Reliable.

Model 4400 Short Elegant Panel with Optional Brass Sun Burst Window Design
