CLOPAY BUILDING PRODUCTS COMPANY, INC. certifies that the products listed below are Eligible Building Envelope Components which, installed with a means of controlling air infiltration (e.g., vinyl stop on sides and top and retainer with astragal on bottom of door) on a qualifying homeowner's principal residence with insulated garage space, qualify for a federal tax credit under the American Recovery and Reinvestment Act of 2009 (doors installed in 2009 and 2010):

Under penalties of perjury, I declare that I have examined this certification statement, and, to the best of my knowledge and belief, the facts are true, correct and complete.

Mark Westerfield, P.E.
Director, Product Development and Engineering
Clopay Building Products Company, Inc.

II. HOMEOWNER'S CERTIFICATION

I certify that I have had the following product installed in an insulated garage within my primary residence; that such door has been installed with a means of controlling air infiltration (e.g., weatherstripping); and that the cost of the product only, exclusive of any labor charge of any kind, is correctly stated below.

Component: Exterior Door (garage door)

Model No.: _____

Homeowner: _____

Social Security No.: _____

Address: _____

Cost of product only (exclusive of installation costs): \$ _____

HOMEOWNER: Do not submit with tax return. Retain with your records. Please be advised that if you do not purchase and install a means of controlling air infiltration (e.g., weatherstripping), the door will not qualify for this credit.
