Miami-Dade Website – Notice of Acceptance (NOA)

Miami-Dade maintains a website with all approved Notices of Acceptance (NOAs). All building products used in Miami-Dade must have an approved NOA.

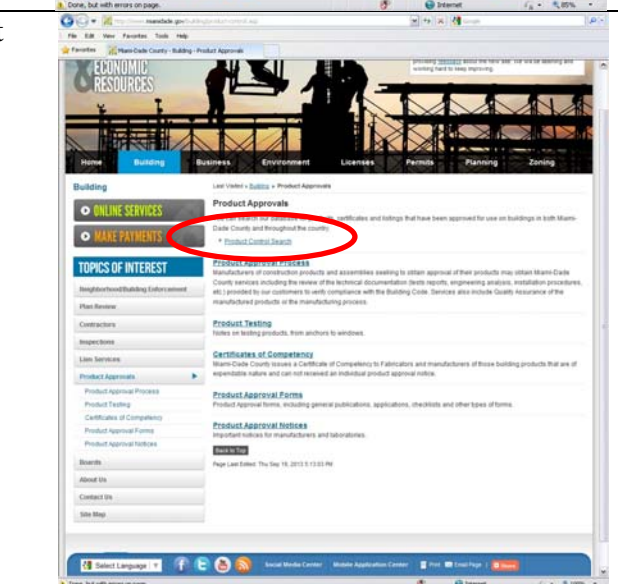

The NOAs are available in Adobe PDF format. Please make sure that you have the most recent version of the Adobe Acrobat Reader program. It can be downloaded for free from <http://www.adobe.com>.

The Miami-Dade Building Code Compliance Office website can be found at <http://www.miamidade.gov/building/>.

On the left side of the main page is a link for the “Product Approvals”. Click it.

Near the top of the next page is a link for "Product Control Search". Click it.

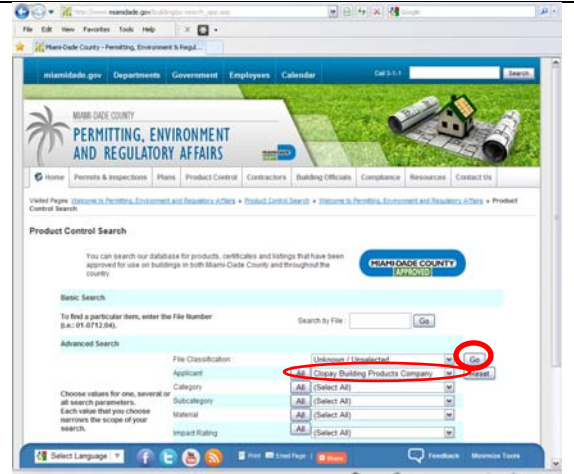

TECHNICAL BULLETIN

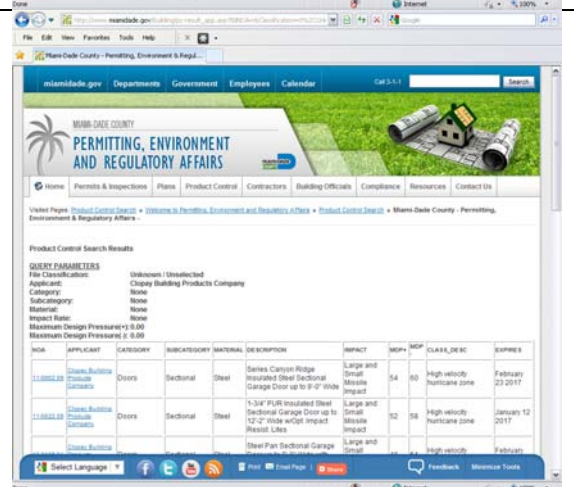

Miami-Dade Website – Notice of Acceptance (NOA)

Select **Clopay Building Products Co.** as the Applicant by clicking on the gray drop down button  to display the list of Applicants and scrolling down. Then click on the 'Go' button on the right.

All Clopay NOAs will be listed. Note that each NOA has a general description in the middle column. The NOA document itself can be viewed by clicking on the NOA number in the first column.

For this example, scroll down and select NOA 11-0802.09. This is for the Canyon Ridge single-car doors.

The NOA is officially the first page of the document. The file also includes a summary of the supporting documentation and a scan of the stamped installation drawing.

The drawing details the specific requirements that are required for Miami-Dade.
